

Tioga Velo Club (TVC) Charter

Article I. Purpose

Section 1.01 Mission

The TVC will promote excellence in cycling sportsmanship and the sport of competitive cycling in the Southern Tier of New York State.

Section 1.02 History of the Charter

c. 1997	Original "Declaration" drafted by Mitch James
Nov-Dec 1998	TVC Declaration updated into draft TVC Charter by Jeff Poulin
Spring 1999	Ratified and accepted as TVC Charter by TVC members
Spring 2000	Changed TT and RR points systems
Spring 2001	Changed RR points systems; added clause that TVC will reimburse TVC members for USA Cycling Coaches, Mechanics, and Official's licenses.
Spring 2002	Added Junior Development Program. Changed RR points system and deleted obsolete requirements regarding upgrades in RR categories "A" and "B." Added more awards to RR series.
Fall 2003	Require "5-score minimum to receive award" rule to RRs to match TTs.
Spring 2004	Clarified that RR riders get full points for participating, regardless of the size of the field. RR registration ends 15 minutes prior to race time, not five minutes.
Spring 2005	Instituted policy that RRs and TTs rotate from Tuesday-Thursday nights every year to (hopefully) end further debate on the topic.
Fall 2006	Changed RR awards to read one trophy for Sprint and KOM championship in each division (down from 3 places) and trophies to the top 3 points finishers in each division (A, B, Women), down from 5 places.
Spring 2007	Added condition about Pro riders not being eligible for points. Also added rule about no free lap rule at any weekly event. REMOVED racing team director since the club does not have it's own team, just independent teams affiliated with the TVC.
Fall 2011	Added "Lifetime Member" award and criteria

Section 1.03 Changes to the Charter

- The President may change the charter subject to the approval of a majority of TVC Officers.
- A TVC Vice President may change the portion of the charter that pertains to their area of responsibility (e.g., Road Races, Time Trials) subject to the approval of the TVC President.
- TVC members may petition TVC Officers to change the charter at any time.

Article III. TVC Membership Policies

Section 3.01 Dues

1. Application fees are to be determined on a yearly basis by the club officers and placed on the application form.
2. Members joining after August 31 of a calendar year who have not raced prior to August 31 will have their dues credited for remainder of that calendar year and the following calendar year.
3. The TVC does not give refunds of any kind.

Section 3.02 Conduct of Races

1. All race participants must have signed the TVC release and paid their annual membership dues (a parent or guardian signature must sign if the racer is under 18 years of age).
2. Guest participants may enter a TVC club event if they:
 - Sign the TVC release.
 - Pay the race fee.
 - Were never members of the TVC.
 - Have not previously utilized the trial policy.

Section 3.03 Member Responsibilities

1. TVC members shall uphold the TVC values of sportsmanship and good cycling.
2. TVC members must volunteer to help run at least one TVC event. Volunteering means: acting as "Race Coordinator" or otherwise helping to run a Road Race or Time Trial; serving as a TVC Officer; or helping at a TVC activity, such as by setting up/tearing down the ESG qualifier races or the Chris Thater Memorial Races.
3. TVC members must volunteer in order to be eligible for year-end race points awards. This applies to each discipline. Volunteering for a road race event makes one eligible for road race awards. Volunteering for a time trial event makes one eligible for time trial awards.
4. TVC members must immediately report injuries that occur during TVC events, no matter how slight, to a TVC Officer.
5. TVC members must abide by all club procedures. Violators risk suspension or revocation of TVC privileges.
6. Only TVC members in good standing may receive TVC awards.

Section 3.04 Member Rights and Privileges

1. TVC members have the right to participate in TVC events and receive all benefits of TVC membership.
2. TVC members, excluding those racing as professionals, may accumulate points for participation and performance in TVC events.
3. TVC members have the right to use or rent TVC property, with payment of applicable fees, as determined by the TVC officers.
4. TVC members may see the most recent monthly financial reports on the TVC account as produced by the Secretary/Treasurer at any time.
5. TVC members may appeal any action regarding himself or herself or any TVC procedure contained in the TVC Charter to the TVC Officers. TVC Officers must respond in a timely manner to all appeals.
6. TVC members may call for the removal of any elected TVC Officer. The non-affected TVC Officers must convene, hear the reasons for the call for removal, and respond to the appeal in a timely manner. The affected TVC Officer must be given a fair chance for defense and rebuttal before the taking of any adverse action.
7. The TVC will reimburse TVC members for USA Cycling license fees required to obtain a USA Cycling Coach's, Mechanic's, or Official's license, with the intent to encourage TVC members to obtain these certifications and to use them in support of the TVC and the promotion of cycling.

Section 3.05 Annual TVC Awards

1. Nominees are selected by democratic majority ballot at the TVC year-end banquet.
2. Only TVC members in good standing may vote for the recipients of these awards.

(a) Rider of the Year (ROY)

 - Someone who may have had an exceptional season.
2. No one person can win the ROY award within a three-year period.

(b) Most Improved Riders

1. One award each shall be given for the most improved male and the most improved female riders.
2. Nominees should distinguish themselves through achievements on the bike, to include:
 - Consistently improved road race and/or time trial results since the past season.
 - Notable performance in a new discipline, such as road races, time trials, USAC/NORBA races, or the Empire State Games (ESG).
 - Consistent participation in TVC events throughout the season.
3. No one person can win the Most Improved Rider award two years in a row.

(c) Best New Riders

1. One award each shall be given for the best new male and best new female riders
2. Nominees should distinguish themselves through achievements on the bike, to include:
 - Consistently good road race results and/or time trial results as compared to other new riders
 - Notable performance in a road races, time trials, USAC/NORBA races, or the Empire State Games (ESG).

- Consistent participation in TVC events throughout the season.
3. Must be a new member in the current or prior year.

(d) Lifetime Member award

1. Presidential Award : Recipient selected by President whenever he/she deems it proper to make such award
2. 1 award per year at maximum. However this is not an annual award, only used for special recognition.
3. Requirements for the award as follows :
 - Consistently volunteers at TVC sponsored events, including but not limited to, weekly Road Races and Time Trials, the Binghamton Circuit Race, The Chris Thater Memorial, and other local races.
 - Must have been a TVC member for at least 10 years, consistently supporting the club as indicated above..
 - Current, or prior TVC officer
4. Recipient will be a member, without dues for their lifetime, also a plaque or similar recognition award will be presented.

Section 3.06 Club Procedures

1. General:
 - The TVC shall hold an annual end-of-season awards banquet.
 - Time Trials and Road Races will alternate between Tuesday and Thursday each year. (ie, if TTare on Tuesdays this year, Next Year they will be on Thursday, and RR will take the other night)
2. Conduct of Races:
 - Races start at 6:00 pm in April and September. Races start at 6:30 pm May through August.
 - Changes to race courses are the responsibility of the respective VP (Road Race or Time Trial), subject to the approval of a majority of the other TVC officers.
3. Purchases:
 - All purchases are the responsibility of the Secretary / Treasurer.
 - Any club member must get pre-approval for expenses from a TVC Officer before making a purchase on behalf of the TVC.
 - TVC Officers may purchase incidental items (less than \$50) necessary for the conduct of TVC events using TVC funds, as long as they account for these purchases with the Secretary/Treasurer.
 - Purchases over \$50 are subject to approval from a majority of TVC officers.
4. Suspensions and Disciplinary Actions:
 - Any rider not obeying club policies, exhibiting unsportsman-like conduct, or causing a safety hazard at any time is subject to suspension and/or disciplinary action.
 - Penalties include, but are not limited to: (a) relegation to last place for an event, (b) disqualification from a single TVC event, (c) disqualification from multiple events, (d) loss of eligibility to receive club awards, (e) loss of ability to participate in TVC events.
 - The amount of the penalty varies on the severity of the infraction. The USAC handbook will serve as a guideline.
 - The appropriate TVC Vice-President shall recommend penalties to the TVC President.
 - The TVC President shall administer penalties after considering the recommendation of all TVC Officers.
5. Jerseys:
 - The need for new club jerseys is to be determined by the current club officers. As a rule of thumb, jersey designs can be changed every 5 years (approx.).

- The TVC President shall appoint a "Jersey Committee" to oversee the selection of jersey design, the manufacturer, quantities ordered, prices, etc.
- The Jersey Committee shall conduct a vote of club members to determine their favorite design.

Section 3.07 Junior Development Program

1. Purpose:
 - To provide assistance to TVC Juniors with the goal of encouraging their development in the sport of organized cycling.
2. Benefit:
 - The TVC will refund 1/2 of the entry fee for USA Cycling annual dues, USAC racing license, and USAC-sanctioned events up to a \$100 per year for each eligible TVC Junior.
 - The TVC will also consider requests for support in reputable road and track training camps and seminars as well as other events on a case-by-case basis.
3. Eligibility:
 - The applicant must be a TVC Junior member (up to age 18) in good standing.
 - The applicant must have a valid USAC Racing License.
 - The applicant must have a consistent history of participation in TVC competitive events (Time Trials or Road Races); for example, a minimum of five events in the year prior to application.
 - The applicant must have met the TVC volunteer requirement in the year prior to application.
4. Procedures:
 - The applicant applies for the program by notifying the TVC Secretary/Treasurer, who will contact the other TVC officers for action.
 - The application is subject to approval by a majority vote of the TVC Officers.
 - The TVC will budget \$500 per year for this program. The TVC Officers must unanimously approve expenses beyond this amount.
 - The TVC officers may discontinue or suspend the program by majority vote for any reason, such as non-availability of funds.

Section 3.08 Road Race Procedures

(a) Rules

1. All races run regardless of weather. The Race Coordinator has the authority to call off a race regardless of the reason.
2. All riders must sign the TVC release and pay their entry fee before registration closes.
3. Registration closes fifteen minutes prior to the start of the race.
4. All riders are responsible for submitting their results (finishing order and prime results) to the Race Coordinator. You are responsible for your own placings!
5. Club members have 15 minutes to lodge a protest after results are finalized by the Race Coordinator. Otherwise, results are final.
6. The Race Coordinator will advise and council riders on which category ("A" or "B") in which to race.
7. The Race Coordinator will announce the location of King/Queen of the Mountain (KOM, QOM) and Sprint primes at the beginning of each event.
8. There are no free laps in any TVC events, in the event of a mechanical failure, or for any other reason you get lapped, you may go ahead and jump back in with the main field, however you are limited to collecting only the minimum race points score (usually 1 point) and you may not affect the outcome of the race or any sprint or KOM lines by racing for those places.

(b) Awards

1. Points shall accumulate during the Road Race season (normally calendar months May -August) as follows:

Place ==>	1	2	3	4	5	6	7	8	9	10	11	12	Else
Overall	15	12	10	8	7	5	4	3	2	1			
KOM/Sprint	4	2	1										

2. Riders who DNF will receive 0 points for that event.
3. Riders must score in at least five events to be eligible for an award.
4. Top three places will be awarded for the most accumulated Road Race points at the end of the year in each category (“A”, “B”, and Women).
5. A trophy will be awarded for the winner of the KOM and Sprints at the end of the year in each category (“A”, “B”, and Women).
6. All awards will be presented at the TVC Annual Awards Banquet.
7. Women that race with the “A” field or “B” field will be scored as an “A” rider or “B” rider, respectively.
8. Full points will be awarded to all riders that complete the race, regardless of field size (e.g., if only 1 woman races then she will receive first place points).
9. Riders that affect the results of a race other than the one in which they started may be subject to Suspension or Disciplinary Action.

Section 3.09 Time Trial Procedures

(a) Rules

1. Ride safely at all times. Take special care when turning around!
2. All riders must sign the TVC release and pay their entry fee before registration closes.
3. Registration closes 15 minutes before race time. Please do not make us keep juggling the start order! The Race Coordinator may sanction any rider for delaying the start of the race by (a) not allowing the rider to participate in the race, or, (b) relegating the rider to last place in the race for the accumulation of points. Normally, riders arriving after the computer has begun to print the start order will start last.
4. Riders shall attend the pre-race safety briefing to hear club announcements and to receive their start times.
5. Riders should keep their own times (Intent: to detect official timing errors and to validate times in case of official timing discrepancies).
6. Honor rule: In the event of the failure of the official timing or the inability to conduct official timing (e.g., for last minute technical problems or lack of a volunteer), riders that can substantiate their time will receive that time for the race. Riders with substantiated times will receive official race points according to their performance. Riders who started the course but cannot substantiate their times will receive the minimum score that race (normally 1 point).
7. Bikes such as Tandems and Recumbents will compete in their own categories but their riders will not accumulate points nor may they receive TVC awards.
8. The TVC places no UCI-type restrictions on the geometry, wheel sizes, or number of "diamonds" in the frame of the bike. The Race Coordinator makes the sole and final call on these issues.
9. Riders may not draft during Time Trials. The official UCI drafting rule says to stay 25 meters (80 feet) to the rear and 2 meters (7 feet) to the side of other riders. However, traffic does not often allow these generous margins so riders should avoid drafting as best as conditions safely allow. Drafting violations may result in a time penalty according to the USA Cycling rulebook or relegation to last place for that event. Repeated drafting violations may result in suspension or disciplinary action.
10. A rider can request a new start time only if they have a sub-standard start and they can recover in time to start last, using the starting interval in effect for the race (normally 30 seconds). Flat tires, mechanical difficulties, or other events during a race that cause a DNF will result in the minimum score for that race (normally 1 point). The Race Coordinator makes the sole and final call on these issues.

11. The TVC races in all safe weather conditions, to include rain. The Race Coordinator has the sole and final call on whether to cancel a race due to weather and may make that call at any time, to include during the race for the safety of the riders. Normally, a time trial will continue unless high winds, driving rain, and lightning striking in the vicinity make the conditions obviously unsafe. A race canceled after the published start time, whether or not the race has started, will result in all riders present receiving the minimum score for that race.
12. Ride safely at all times.

(b) Awards

1. Points shall accumulate for each Time Trial towards overall standing and standing within age groups as follows:

Place ==>	1	2	3	4	5	6	7	8	9	10	11	12	Else
Overall	10	9	8	7	6	5	4	3	2	1	1	1	1
Age Group	10	9	8	7	6	5	4	3	2	1	1	1	1

2. The TVC records official finish times to the nearest second. In the event of a tie, the riders will equally share in the points for the two positions. For example, in a tie for first overall, the riders will get $(10+9)/2=9.5$ points each. The third and remaining riders will receive points for 3rd-12th place, etc.
3. The top three riders in the following categories shall receive awards at the annual TVC banquet:
 - Overall Men
 - Overall Women
 - Juniors (up to age 18)
 - Senior Men (Age 19-34)
 - Veteran Men (Age 35-44)
 - Masters Men (Age 45-54)
 - Grand Masters Men (Age 55 and up).
4. A riders "Racing Age" for determination of age group is the rider's age on 31 December of that year.
5. The top three finishers for Overall Men do not also receive a place in their age group.
6. A rider must volunteer to help in at least one TVC activity during the regular season (1 April-30 Sept) to receive any TVC award. (Intent: to encourage everyone to pitch in and help support club events.)
7. A rider must participate in at least 5 time trials in order to qualify for an award. (Intent: to avoid giving a token trophy in age groups with few participants).
8. A Course Record (for male and female) will be awarded if the racer completed a TVC time trial in a time faster than any other recorded.
9. Eligible courses for Course Records:
 - 10 mi. Rt. 17c at the Hickories (pre-1997 Course "A")
